**Clarification Number # 2 to Invitation for Prequalification –
LNG Project**

Dear Sirs,

All capitalized terms not expressly defined herein shall have the meaning attributed to them in the Invitation.

The Tender Committee has received several requests for clarifications from Participants with regard to the Pre-Qualification Documents. Below please find the Tender Committee's responses to such requests, which are hereby submitted to all potential Participants.

The clarifications appearing below replace and supersede all prior correspondence, whether written or oral, and shall constitute the sole binding document with respect to the subject matter hereof and an integral part of the Pre-Qualification Documents.

Except where expressly stated herein, nothing in this letter shall be construed to derogate from any terms of the Prequalification Documents.

Clarification # 2

For the avoidance of doubt, the questions are presented /quoted for the purpose of reference and information only. There is no significance to the assumptions made in the questions - the answers are brought here on a stand alone basis and should not be deemed to interpret the questions.

List of Questions and Answers

| # | DOCUMENT | QUESTION | ANSWER |
|----|------------|---|--|
| 1. | Invitation | The Tender Committee clarifies that the term "Subcontractor" as defined in section 4.4.3 to the Invitation shall not include subcontractors that manufacture the following components with regard to the LNG Receiving Terminal: (1) Tanker berthing and unloading facilities (2) Regasification systems (3) Facilities to handle vapour and boil – off gas (4) High pressure LNG pumps. | |
| 2. | Invitation | The Tender Committee is requested to clarify which technology is to be implemented with regard to the LNG Receiving Terminal. | The Tender Committee clarifies that the LNG Receiving Terminal shall not be comprised of a gravity-based structure (GBS). More information on the technologies that are to be used to construct the LNG Receiving Terminal shall be detailed in the Tender Documents. |
| 3. | Invitation | <p>The Tender Committee is requested to clarify the following:</p> <ul style="list-style-type: none"> • How LNG supplies will be sourced to the LNG Receiving Terminal. • Who will be the party buying the LNG supply. • Will the Successful Bidder have supply rights to the LNG Receiving Terminal. • What sort of LNG supply contracts is the Tender Committee envisaging? Short, medium or long term. | <p>The Tender Committee clarifies that according to the tender Documents the successful Bidder shall render terminaling services based on an Open Access policy to companies seeking to contract for throughput capacity with regard to the LNG Receiving Terminal.</p> <p>It should be further noted that the terms and conditions covering the services to be performed by the Successful Bidder including, inter alia the extent by which an Open Access regime [Regulated Access] shall be implemented in connection with the operation of the LNG Receiving Terminal shall be fully detailed in the Tender Documents.</p> |
